PROFILE

Passionate about designing user-friendly interfaces and building beautiful, responsive websites. Possess a strong understanding of UI/UX design and front-end development. Expertise in HTML, CSS, JavaScript, and React.js enables me to create dynamic and engaging web experiences. Proficient in crafting modern, mobile-friendly layouts using tools such as Tailwind CSS and Bootstrap. Enjoy working with prototypes and visual designs using Adobe Photoshop. Continuously seeking opportunities to expand knowledge and skillset in order to develop websites that are both functional and visually appealing. Excited to contribute to meaningful projects.

WORK EXPERIANCE

Graphics Artist, Potografix Company
Aug 2024 - Oct 2024

Collaborated with the design team to create high-quality graphic designs for various projects.

Gained hands-on experience in Photoshop.

Contributed to the development of visual content that aligned with client expectations and brand guidelines.

PROJECT

User Interface Development

Built responsive and visually appealing user interfaces using HTML, CSS, and Tailwind CSS in React.

Developed reusable React components to streamline the development process.
